Timber Bay

Activity Registration Form

More Parent Information:

Timber Bay/YIF has taken reasonable care to try to make sure that all activities are conducted in a safe and reasonable manner. However, all physical activities involve some degree of risk. As Parents/Guardians, you should use your own common sense in deciding what activities your child should or should not participate in. For example. If your child is unable to swim, it would be wise to restrict your child from certain water activities - without further training. If your child is overweight or has some type of illness or physical ailment which could be made worse by physical activity, it may be wise to restrict your child from participating in such activity.

If there are any conditions not otherwise disclosed on this form that have a bearing on your child's health, welfare, or participation in physical activities, please notify us about any such conditions.

We also would like you to know that sometimes we take pictures and other media of youth involved in our activities. By signing this consent form on the front page you are allowing us the right to use these pictures of you or your child for publicity. If you do <u>NOT</u> want your child's picture included in any event photo for publicity please initial here.

We hope that all will have a safe and enjoyable experience in the various Timber Bay Activities.

For more information on Timber Bay and its various activities, please visit our Website: www.timberbay.org
