

Helping youth thrive in life.

At Timber Bay, we share the hope and love of Jesus to help youth create deep, healthy connections with their creator, peers and mentors through community programs, camp & adventure trips. We are thrilled to launch our first annual Supporting Transformation Fundraiser on April 30, 2026 at Christ Presbyterian Church in Edina. This is an intentional gathering and investment in long-term stability and expands our impact on the young people God calls us to serve.

Together with friends, partners, and community leaders, we will rally around a shared vision—creating the resources, encouragement, and momentum needed to bring hope and life transformation to at-risk youth for the glory of God. **We invite you to join us as an event sponsor as a vital part of covering the costs and beyond for this impactful event.**

<i>Sponsorship Levels</i>	TrailBlazer \$10,000	Summit \$5,000	Cabin \$3,000	Campfire \$1,000	Table \$850
Facebook social media highlight					
Special shout out from worship artists
